

## **Most Valuable Parent**

**Do you know someone that you feel is an integral part of a sports organization and deserves recognition for it? In each magazine, we feature someone who we also feel deserves recognition for their involvement with a sports organization. We usually try to keep them oblivious until an interview is conducted. Please nominate the individual that you feel is deserving of this recognition. This person has usually been involved with a Pee-Wee team, but there are no restrictions on what level of team this person is involved with.**
